Board of Directors.

The Penticton Chamber nominations committee is seeking nominations from members to let their name stand for election to the Board of Directors for 2021/2022 positions for a two-year term.

All positions are confirmed annually by the membership present at the Annual General Meeting. Chamber members in good standing (annual dues and other purchases are paid) are eligible to submit their name or the name of a current employee who would represent their membership.

The Nominating Committee wishes to have representation from a broad cross section of the Chamber's membership so do not hesitate to confirm your interest.

“Our Board members are active, engaged members of the Penticton business community,” said Nicole Clark, President of the Penticton and Wine Country Chamber of Commerce. “We have a strong desire to be the voice of business at all levels of government. It is therefore important to have Board members who represent a cross-section of industries and business types to ensure we are on top of issues as they arise.”

Clark said she welcomes inquiries from anyone who is interested in putting their name forward who has any questions about the expected commitment from Board members.

Desired qualifications to serve as a Director of the Chamber Board may include:

- Support the Chamber and a sincere desire to assist in growing the membership by promoting the benefits of the organization to potential members;
- Possess professional skills and expertise, which can be drawn upon as required in certain areas (e.g. financial, marketing, communications, policy, HR, governance, event planning);
- Attend and support Chamber events;

- Ability to fill a time commitment of approximately 10 Board meetings per year and participation on at least one working committee. (Currently the Board meets on the fourth Thursday of each month from 8-9:30am.)
