

FOR IMMEDIATE RELEASE

Penticton, British Columbia, April 8, 2020 – The Penticton & Wine Country Chamber of Commerce fully supports Mayor and Council’s approval to direct staff to implement the five recommendations from the Economic Recovery Task Force.

“We are very happy to be represented on the Economic Recovery Task Force by our Executive Director Diane Kereluk”, said Chamber President Nicole Clark. “It is great to see our business leaders come together to work on a path to recovery for Penticton generally and our business community specifically.”

“The commitment and contributions of the committee members is admirable, and I am appreciative to be involved in the discussions” said Kereluk.
